

# REGINA ANDREW

DETROIT

**ITEM NO: 14-1055**

**Happy Floor Lamp**

## ASSEMBLY INSTRUCTIONS

1. Carefully remove all parts from box and remove all plastic covering from lamp parts. For ease in unpacking, open the top and bottom of the carton and remove the styrofoam packing. The styrofoam packing consists of multiple layers, each holding different parts of the lamp.

2. Attach Middle Tubes to Bottom Body by rotating clockwise, while putting extra wire inside of the tube.

3. Attach Top Tubes to Middle Tubes by rotating clockwise.

2. Insert the G9 LED bulbs into the Sockets.

3. Install the Glass Shades onto the Sockets.

4. Insert the polarized plug into wall outlet, turn on switch, and enjoy your new lamp.

## CLEANING AND CARE:

Use a soft cloth only, do not use any chemical or abrasive cleaners.

## IMPORTANT SAFETY INSTRUCTIONS

This portable lamp has a polarized plug (one blade is wider than the other) as a safety feature to reduce the risk of electric shock. This plug will fit in a polarized outlet only one-way. If it still does not fit, contact a qualified electrician. Never use with an extension cord unless plug can be fully inserted. Do not alter the plug.

Made in China
