HARDWOOD

Coastline Hardwood Series delivers a beautiful, natural finish at an economical price point, ideal for contractors, renovators, builders, and other industry professionals. Coastline Hardwood Series features a 5/8-inch thick, 5-inch wide plank, crafted with stunning brushed French White Oak. The planks reach up to 67" in length, with an average plank length of over 30". This slimmer, streamlined series is perfect for the discerning, budget-conscious homeowner or professional, backed by a 25-year residential warranty. While we strive to represent our hardwood products accurately in our images, please note that as with any natural product, our hardwood floors may display variations in colour and grain.

Matching Accessories

Colour-matching Stair Nose and T-Mould are available in 48in / 1.2m lengths.
