

New York Loft

HARDWOOD

Meet New York Loft, our downtown-inspired line of hardwood flooring with timeless designs full of confidence and character like its namesake city. Featuring extra-wide 7.5" planks that are over 6' long each, New York Loft is produced with the highest-quality, formaldehyde-free adhesives and a gorgeous wire-brushed, matte, sawn European Oak surface. New York Loft is backed by a 35-year residential warranty and, like all of our floors, is Floor Score certified for excellent air quality and low off-gassing.
